Blessed Trinity Catholic School is a parish supported school that welcomes both Catholic and non-Catholic students. The cost of education at Blessed Trinity Catholic School is covered by tuition and subsidized by Blessed Trinity Catholic Parish of Lodi and Dane. To make this education available, we have also established a Tuition Assistance Grant Program offering grants for those who qualify. It is our hope that no child be denied acceptance due to financial need. Blessed Trinity Catholic Parish is committed to providing an opportunity for a Catholic School education for anyone who desires it. All registered and actively participating parishioners of Blessed Trinity Catholic Parish will qualify to receive a substantial subsidy from the parish toward tuition costs. Families from outside the Parish are welcome to apply for assistance and will be provided with what is available.

In addition, any family, parishioner or non-parishioner, may apply for tuition assistance from the Blessed Trinity School Endowment. To do so, you must complete the attached application and return it to Blessed Trinity Catholic School principal. The pastor and principal will review all applications and consider each request based upon a family's financial need and funds that are available for assistance.

Your privacy is very important to us. Please understand that the only people to see this form will be the principal of the school, and the pastor of the parish. We will use the information herein only for the purpose of determining your need for financial aid for your child(ren) who is/are registered at Blessed Trinity Catholic School. It will remain confidential within the confines of the above mentioned individuals.

All families that receive assistance are expected to be actively involved in school fund raising and school special events.
