

**Blessed Trinity Catholic School
Media Release Form**

Dear Parents/Guardians,

Throughout the 2018/19 school year, Blessed Trinity Catholic School publishes several newsletters, brochures, etc. highlighting student accomplishments, as well as information about the programs and features of our school. Most of this information is carried over to our website for public viewing as well. The information is published is usually submitted by teachers, principals or parents.

However, because of student privacy laws, we want to secure parental permission before publishing information about any child. Please understand that a child's private information (such as addresses, phone numbers, social security number) is **NEVER** published by Blessed Trinity Catholic School, nor is it released to any other agency or media outlet. In the spirit of recognizing the achievements of our students, we print the student's name and/or photo and award titles. Blessed Trinity Catholic School controls what is distributed to the public in our publications and website. We do not, however, control what is produced by outside media sources.

Thank You,

Blessed Trinity Catholic School
